Today’s newsletter will be last one for Term 2. It has been a short but very busy term and the cold weather has certainly kicked in now. Teachers have been extremely busy assessing students in their class and finalising reports for Semester 1. Reports will be sent home with your child on **Friday 27 June**. The children have worked hard all semester and I was impressed with their achievements. I am sure that there are going to be some very proud mums and dads!

**Pizza Day**

Today the P&C ran their pizza day fund raiser. The children enjoyed receiving their lunch and drink treat and I would like to thank the parents for supporting this event.

**Primary School Deaf Camp**

In August 5 students from our support class will be attending the annual deaf camp in Sydney. The children will be exploring the sites of Sydney including; Powerhouse Museum, Opera House and Botanical Gardens. The children will also attend the ‘ZooSnooz’ program at Taronga Zoo where they will feed and pet many animals in a behind the scenes look. I am looking forward to seeing some photos and hearing about their adventures.

**Dance Festival**

Our fabulous dance group will be performing at Laycock Street Theatre next week. Mrs Denning and I will be attending the concert on Monday night and I am really looking forward to seeing them on stage. **I would like to thank Mrs Blumer and Mrs Hynes for all their hard work and dedication** in getting the dance group ready for their performance. All of the lunch time practices will all be worth it once they get up there on stage.
Thank you to the many parents for supporting this event. See you at the concert!

**Reports/ Parent / Teacher Interviews**

As mentioned earlier reports will be sent home on the last day of this term. **Notes will be sent home on this day as well with dates and times available for you to discuss your child’s progress at school with their class teacher.** These interviews will take place in Term 3 Week 2.

**Trivia Night**

On **Saturday October 18** the fund raising committee have organised a **Trivia evening here** at our school. This is an opportunity for our community to come together and enjoy an evening getting to know one another. **Notes will come home early next term with information regarding ticket costs and the theme of the night.**

**Sports Carnival**

This will be on **Thursday 26 June** and all children should have received a note in regard to this event. Please make sure that all notes and money are returned to class teachers by the due date. Parents are welcome to come and cheer their children on. The P&C will also be running a **BBQ with sausage sandwiches on the day if you wish to purchase lunch.** Let’s hope the weather is kind to us and we can go ahead.

**Early pick up and late arrivals**

For legal and safety reasons all parents must sign their children in at the office if they arrive after the morning bell. It is also very important that you do the same if you intend to take your child home early. Thank you for your understanding.

**Kindergarten enrolments 2015**

We are now taking enrolments for children to start kindergarten in 2015. If you have a child of school age or know someone that does please collect an application form from the front office. I would like to wish all of our families a lovely holiday and we look forward to seeing you back on **Tuesday July 15.**

Thank you
Toni Skinner
Principal

They give their time willing and ask only that they receive a “Please” and “Thank You” when they serve you in recognition of their time.

Our Canteen Days are Wednesday, Thursday and Friday. If you can help out please contact Di in the canteen or via the office.

Volunteers Needed for Grounds/Garden Maintenance…..

STEPPING STONES TRIPLE P

We are currently seeking expressions of interest from parents/caregivers to participate in the Stepping Stones Triple P Parenting Program (SSTP) in Term 3, 2014.

The Stepping Stones Triple P Positive Parenting Program is an intervention program specifically developed for families of pre-adolescent children with autism and/or intellectual disabilities who currently have, or are at risk of developing, behaviour problems. No other parenting program in the world has an evidence base as extensive as that of Triple P. It is number one on the World Health Organisation’s ranking of parenting programs, based on the extent of its body of evidence.

Last year Chertsey was included in a small group of only 20 schools selected throughout NSW to participate in a research project aimed at assisting parents who have a child with autism and/or intellectual disability with behaviour and developmental issues. Ms Heidi Daley, our class teacher on Support Class Autism, attended Facilitator Training and accreditation at Westmead Hospital as part of this research project.

Stepping Stones Triple P teaches parents how to help their child develop the skills they need to get along with others and feel good about themselves. Specific parenting strategies cover:-
  • Developing Positive Relationships
  • Encouraging Desirable Behaviour
  • Teaching New Skills and Behaviours
  • Managing Misbehaviour

The 9 week program consists of five weekly group sessions of 2 ½ hours each followed by 3 weekly individual telephone sessions and one final 2 ½ hour group session. In order to provide parents with sufficient individual attention we are looking at a maximum group size of 8 – 10 parents.

There is no cost to participate in this program and I encourage you to take this opportunity to access a program that is Australian based, has been recognised worldwide and has had measured, positive results for many parents of children with autism and/or intellectual disability.

the dignity of the child, maintains the self control of
both the parent and the child and works really really
well remember when you’re in that thing that you’re not
