SASS recognition week

Do you know what SASS means? SASS stands for School Administration and Support Staff. This week students, parents and staff at Chertsey Primary School would like to acknowledge the hard work done by our SAS Staff as part of SASS National Recognition Week. This year's theme is "Stepping up to the challenge" and our SAS staff is definitely vital to Chertsey Primary School.

We have 14 SASS staff at our school. Mrs Denning, Mrs Holloway, Loida, Mrs Wastell, Mrs Currie, Mrs Lerway, Mrs Masters, Mrs Strachan, Mrs Plater, Mrs Gormly, Mr Wales, Mrs Harding, Mr Henderson and our lovely general assistant Terry. Terry looks after our grounds and maintenance and puts information up on our sign each week, cooks BBQ and much more.

Every day, in so many ways, our valuable SAS staff supports us in our school. Without our SAS staff we would not be able to provide the wonderful school that we have here at Chertsey Primary School.

National Recognition Week is a great time to thank all our SAS staff for their hard work and dedication to our school. Please give them all an extra big smile and thankyou this week!
The stork has arrived

It is with much joy and excitement that we can announce the safe arrival of Mrs Wickert’s baby. Mrs Wickert and her husband welcomed a beautiful baby girl at 9:30pm last Thursday evening. All are well and we wish to offer our congratulations to Mrs Wickert her husband Ben and their families.

Athletics Carnival 21 August

Congratulations to all of the children who participated in this carnival. Thank you to Mrs Scott and Miss Owens for helping out on the day and to also our wonderful parent manager Mrs Martineer. Congratulations to Kyra who will now be representing Chertsey Primary School at the next level being held in Sydney.

Cake bake

Wow! The cakes looked amazing and I have never seen so many lollies on top of a cup cake. Thank you to all of the boys and girls who purchased and decorated a cup cake last week. Over $340.00 was raised for Red Cross. A very special thank you to Mrs Wastell for baking the many cakes and donating her time to make these for our boys and girls.

Father’s day stall

The P&C held the Father’s Day stall yesterday and once again I would like to thank Mrs Frazer and Mrs Seaman for all of their hard work in coordinating this fund raising event. Thank you to all of the parents for giving up their time to work on the stall. There was certainly lots of presents to choose from and the children were having a lovely time selecting a present for their dads. Without so many of our wonderful parents giving up their time these events would not happen. Thank you.

Coming events;

Father’s Day breakfast

Don’t forget to join us on Friday morning for breakfast dads! We will be serving sausage sandwiches from 8:15am outside the school hall. We would then like to invite you to join in on a game of volley ball in our COLA area after you’ve eaten. Hope to see you on Friday morning. Happy Father’s Day to all of the dads I hope you all have a lovely day on Sunday.

Chertsey on Broadway

The concert is not far away now and will be held in week 9 (next week) on Wednesday and Thursday evening from 7pm. There are only a couple of tickets left for Thursday night so please see Mrs Denning in the front office if you still need a ticket. The children have been rehearsing madly and each item looks fabulous. You are certainly in for a treat mums and dads. If you are unsure of anything please see your child’s class teacher.

Trivia Night

On Saturday October 18 the fund raising committee have organised a Trivia evening here at our school. This is an opportunity for our community to come together and enjoy an evening getting to know one another. Please see the flyer in this newsletter for details. Tickets went on sale yesterday at the front office. Tickets are $15 each.
Headstart and Kindergarten enrolments 2015

Headstart has been operating for the past 2 weeks and it has been lovely meeting our new Kindergarten students for next year with their mums and dads. If you know anyone who has a child ready for school please let them know that enrolments are now being taken.

P&C Meeting

Due to the concert in week 9 being on we have decided to have the P&C meeting in week 10 instead. Please come along on Tuesday 16 September at 6:30pm.

Canteen Special Day

On Friday September 12 Di from the canteen will be offering the boys and girls some special treats to celebrate the end of term and footy season. Please keep an eye out for a special order form which will be coming home early next week.

Thank you
Toni Skinner
Principal

Seasons for Growth Program

During term 2 & 3 we had some of our beautiful stage 3 girls completed this program.

Seasons for Growth can and does improve different areas such as Acceptance and letting go of past issues of change, loss and grief as well as Coping with current issues of change, loss and grief.

Kind Regards
Donna Knee
Student Support Worker/Chaplain
Wow…..A new Canteen Menu and Canteen Rewards Card. 
Check it out…..
Have you started saving towards your first reward!! Remember 
Di is keeping the reward cards in the canteen so you don’t 
miss out.
Get a copy of the new menu online or from the office.
An exciting Red Day is planned for the end of this term.
Thursday 11 September 2014 - Note your diary and don’t miss out. 
Canteen vouchers to be won just by ordering one of the sensational 
“special” meal deals. More details to follow separately.

Trivia Night
Saturday 18 October 2014

Theme - “Outer Space”
Tickets on sale Monday 1 September 2014 from the school 
office- get friends together and buy a table of 10 or single seats 
available on mixed tables. Pay by cash/cheques payable to 
‘Chertsey P & C’/eftpos

Have you seen the amazing posters around the School. 
A note has gone home with all the essential information......... hope you saw it
Hats off to reading!

This week we are celebrating Literacy and Numeracy Week. You’re invited to join in the fun.

Draw a picture or get mum or dad to take a photo of you reading your favourite book in an unusual place. Don’t forget to wear your hat.

Bring your picture or photo to school or email it to the school for us to print by Thursday 4th September. chertsey-p.school@det.nsw.edu.au Please include your name and class.

Photos and pictures will be displayed on the library windows. Check them out during the Fathers’ Day breakfast.

On Friday Chertsey Primary School will be participated in the Read for Australia activity. At 2pm all participating students and teachers across Australia read ‘Sunday Chutney’ by Aaron Blabey. This story explores the themes of friendship, self-reliance and the importance of family. Included in this next week’s newsletter are some ideas to support your child with building their literacy and numeracy skills.

------------------------------------------

BOOK WEEK WINNERS.

During Book Week the children produced many lovely pieces of work around the theme ‘Connect to Reading.’

The children who produced the winning entries each received a book voucher from Dymocks. The winners were Maddi, Pania, Austin, Jye, Sophie, Joe and Kyla.
Time is drawing near for the Chertsey School Concert. This year our theme is “Chertsey on Broadway”. Tickets sold very quickly last Monday.

THERE ARE NO TICKETS LEFT FOR WEDNESDAY AND ONLY 3 TICKETS LEFT FOR THURSDAY NIGHT CONCERT HOWEVER for those who are unable to attend a night performance, a dress rehearsal is held on Tuesday 9th September, with limited seating available for a $2 donation. More about the rehearsal is coming home today on a separate note.

Concert Coordinators
Sharon Hynes and Loretta Sewell
BREAKFAST CLUB NEWS

A very big “THANK YOU” to all the families that kindly supported the Red cross cake fundraiser last week!
There were many delicious looking cakes consumed by the children with $340 raised in total!
Special thanks to our Brock, Parents and staff that helped to make this fundraiser possible.

Alex Wastell—GSBC co-ordinator

SUNSAFE and PROUD

Well done to Matt 3/4W who won this week’s hat draw. Matt wins a slushy, courtesy of our canteen and our P&C. It is great to see our students proudly wearing their summer uniform.

Congratulations Matt enjoy your slushy.
Enjoying numbers

Here are some tips for helping your child with numeracy:

- Have a number hunt as you drive. Each child looks for numbers on signs and houses and adds them as you go. The older children add the numbers as they go and try to be the first to reach 100.
- Try tidying up a container of toys onto the floor and ask how many there are of certain toys. For example, there might be 6 cars, 4 yellow blocks, 3 red blocks and 1 little bear.
- On a calendar, write down the weather for each day. Then talk about how many days in each month are sunny, cloudy, wet, cold or hot. It’s fun to compare the months.
- If you give your child the laundry peg bag, your child can put them all into separate colours. He or she can then count how many blue ones there are, how many yellow and so on.
- You could try asking your child to stack pegs one on top of the other in their colours. How many red ones could they build up until the pile falls over? How many orange ones?
- Play games such as Dominos, Snakes and Ladders, card games or board games involving dice. This will help your child to recognise patterns and to count. To help your child recognise numbers, change the dice to ones showing numbers.
- Help your child to remember your phone number and to press the correct buttons on the phone.

Five ways to build your child’s numeracy skills K-4

Understanding Shape

- Play using household objects, such as measuring cups and containers of different sizes and shapes. Ask your child to find objects that are the same size or different sizes.
- With younger children, show them how much heavier different objects are.
- Record your child's height and weight at regular intervals.
- Measure how many steps your child could take to reach certain points in the room.
- Ask your child to draw pictures of different shapes on paper.
- Use different types of building blocks and ask your child to make structures.
- Ask your child to draw pictures of different objects and find them in the room.
- Use everyday objects to teach your child about shapes and sizes.

Teaching with Pattern

- Have a pattern game together, using objects such as blocks or colored tiles.
- Ask your child to create their own pattern using objects.
- Use everyday objects like buttons, beads, or colored papers to create patterns.
- Ask your child to describe the pattern they have created.
- Use everyday objects to teach your child about patterns and sequences.
- Ask your child to make a pattern using objects that are the same size or different shapes.
- Use everyday objects to teach your child about patterns and sequences.

Thinking about Time

- Use everyday objects to teach your child about time, such as clocks or watches.
- Ask your child to tell the time using objects like balls or blocks.
- Use everyday objects to teach your child about time, such as clocks or watches.
- Ask your child to create a pattern using objects that are the same size or different shapes.
- Use everyday objects to teach your child about patterns and sequences.
- Ask your child to make a pattern using objects that are the same size or different shapes.
- Use everyday objects to teach your child about patterns and sequences.
5. **Talking and listening tips for children**

**Kindergarten to Year 4:**

- Try to avoid interrupting children and listen to the whole of what they are trying to communicate.
- Try providing opportunities to talk with and listen to children as they talk and share.
- Give positive messages that show you are interested by giving nods, smiles, sounds, words, gestures, but try not to intrude while your child is speaking.
- If your child has trouble remembering what was spoken, a good technique is for him or her to repeat in the mind what has been said, rephrasing it in his or her own words. If it is appropriate, taking notes is very helpful.
- If you are planning something, such as a meal or an outing, try having a brainstorming session with your child. You can do this by asking for ideas for the occasion. You could just listen to one another share ideas or write them down.
- Discuss common dates on the calendar such as public holidays and have your child mark them in your calendar.
- Talk about days, months and years in relation to events such as birthdays and other special occasions.
- Talk about street names and the meaning of signs as you drive around. You could retell or make up stories about the street names that tell how the name came about.

**Five ways to build your child's literacy skills K-4**
1. Sharing a book at home

Together with your child, you can enjoy sharing reading.

- Children love to hear a story read aloud.
  - Try reading with different voices and inflections, and funny faces. Change the tone in your voice, vary the loudness or softness of your voice. Have fun and enjoy it.
  - It is a good idea to practice reading before sharing a book.
  - Listen to your child talk about the story and the pictures.
  - Try asking your child which parts of the book he or she found exciting, funny or different.
  - Give your child the chance to choose a book to read.
  - Try reading to your child and, at other times, ask your child to join in reading the book.
  - Let your child hear how to handle a book with the same sound of how trouble and bubble rhyme.

2. Researching the Internet

Did you know?

- The Internet is a wonderful resource for knowledge gathering, information using to support your child's literacy development.
- If you are searching for a suitable book to read, try entering a publisher or an author's name into a reliable search engine, such as Google. Some reliable publishers are Scholastic, Penguin, Allen & Unwin and Pan Macmillan. These publishers have their own websites that will allow you to preview recent releases, read sample extracts, covers and read brief overviews.
- You can search for short-read books on the Children's Book Council of Australia at: [www.cbc.org.au](http://www.cbc.org.au)
- You can find other publishers at: [www.publishers.asn.au](http://www.publishers.asn.au)
- A good source for book reviews is: [www.coolreads.co.uk](http://www.coolreads.co.uk)

3. Joining the Premier's Reading Challenge

Did you know?

- You can encourage your child to enter in the Premier's Reading Challenge to develop his or her love of reading. In their spare time, children can enjoy books as well as computers and computer games!
- There is a great website for information about the PRC at: [http://www.schoools.nsw.edu.au/premiersreadingchallenge](http://www.schoools.nsw.edu.au/premiersreadingchallenge)
- To qualify for the PRC, in the one year from September to September, children must read a certain number of books from the specially selected book lists. They can also choose books that they would like to read.
- There are hundreds of titles on the PRC booklist that include humour, fantasy, mysteries, poetry, sport and factual books.
- The child receives a certificate signed by the Premier and, after four years of participating, they are awarded a gold certificate.

4. Doing literacy homework

Do you ever hear at home: 'I have a project to do!'

Encourage your child to talk with you about the project. Ask:

- What is your project about? When is it due?
- Where do you think you'll start? Would you like any help or are you okay?

Let's plan your project:

- Where will you go to find out the information?
- Perhaps try Internet research and visit the local library.
- Where else might you go or what else might you do to get the information?
- How will you present/publish the information? You could write a story, oral presentation, PowerPoint, presentation poster or a brochure.

Hints:

- Don't copy information word for word from books or the Internet.
- Write your ideas clearly in your own words.
- Have you used Spellchecker and grammar checks?
- Did you use [www.dictionary.com](http://www.dictionary.com) to check any words for spelling?
## UNIFORMS

We are in short supply of second hand girls uniforms.
If you would like to sell your daughter’s old school summer/winter uniforms we can place an ad in our school newsletter for you or place your uniform with price attached/contact info etc. on consignment. Please see the office staff.

You can now download your Chertsey Primary newsletter to your phone and much, much more!

Our school now has a free app to deliver school information, instantly and directly to your smartphone.

How to download your Free app

1. From your mobile device go to the App Store (iPhone/iPad) or Google Play (Android), search for School Stream and download the app to your phone.

2. Once School Stream has finished installing, open the app, type your school name into the search THEN select your school.

How to get the School Stream app on your mobile device

1. From your mobile device go to the App Store (iPhone/iPad) or Play Store (Android), search for School Stream and download the app to your phone.

2. Once School Stream has finished installing, open the app, type your school name into the search then select your school.

3. Are your children attending different schools? Tap the school selector, select add a school, type the school name into the search then add. Jump between your children's schools by touching the school name/logo in the top blue bar, or switch schools from the slide-in menu.

*Any additional schools will need to be licensed users of School Stream to appear in the app.

Choose what notifications you receive

1. Open the School Stream app on your mobile device

2. From the slide-in menu, go to Settings

3. Under Edit/Alerts select My Schools and select your School to open the Notifications page

4. Toggle notifications on or off individually (e.g. Alerts, Events, Newsletters, etc.)

5. When you have finished, use the Back button to return to the Settings page, then select Done to return to your School

Return at any time to change the notifications you receive.

ADMINISTERING MEDICATION AT SCHOOL

Dear Parents/Guardian
When medication is needed to be administered at school it is a departmental requirement that a form be filled out before we are able to administer the medication. Please see the office staff for a form when needed.

Parents please be advised that we use savlon to treat minor cuts on children when they present to sick bay. Please advise us if your child is allergic to savlon.

Chertsey Primary School is not responsible for, and expressly disclaims all liability for, damages of any kind arising out of use, reference to, or reliance on any information contained within advertisements placed in our Newsletters.
In K-6D WE Collaborate
Collaboration means working together and in K-6D we have been collaborating to create artworks that celebrate some important events.

**Emu Prints**
We made this collaborative mural using oil pastel resist and wash to celebrate Reconciliation Week. We adapted Indigenous motifs into our work. It looks as if an emu has walked across our mural!

**Phases of the Moon**
45 years ago on July 20th, 1969, the first humans landed on the moon. To celebrate we created this work of art and learned about the different phases of the moon.

Artworks by Zali, Cooper, Tate, Elijah, River, David and Oden.
