Thank you to Mrs Karen Auinger for replacing me in the office whilst I was on leave. I had a lovely time with my family and extended family but happy to be home. Whilst I was away I missed the swimming carnival but was lucky enough to be here Friday last week to see the students who were placed first, second or third receive their ribbons. There are certainly some talented swimmers here at school but I would like to congratulate everyone who participated whether they received a ribbon or not. I would especially like to congratulate those children who entered their first carnival and swam 50 metres for the first time. This is a great achievement and everyone who competed whether you were first or last should be very proud of themselves. I would especially like to thank Mrs Scott for her wonderful organisation once again and to all of the staff who came along and helped out. Thank you also to the parents for organising to get their children to and from the carnival especially when so many have work commitments.

The classes are certainly all settled now and we have had a great start to 2015. I have had the pleasure of meeting many of our new parents here at Chertsey and I look forward to meeting many more. As per usual there are many things happening here at Chertsey and lots of wonderful things organised for your children. Stage three students have the opportunity to attend a 4 day excursion to Canberra later this year and notes will be coming home very shortly for parents to start making payments. Please keep an eye out for notes coming home with your children so you don’t miss out on anything!

P&C Meeting

The P&C AGM meeting will be held on Tuesday 10 March in our school staff room from 6:30pm. At this meeting we will be electing our executive committee and if you are interested in running for one of these positions please come along and find out what it entails. If you are new to our school and have an hour or two to spare please come along and get to know what is happening in our school and the community. All welcome!
Harmony Day

On Friday March 20 we will be having our Harmony day celebrations at 9:15am in our school hall. Mrs Donna Knee is coordinating this event and a note explaining the day will be sent home shortly. Children will be permitted to wear an article of clothing that is orange but school shoes must be worn. The theme for this year’s Harmony Day is ‘thank you’. All parents and friends are welcome to attend our assembly.

Cross Country

After our Harmony Day assembly we will be having our cross country carnival here at school. Ms Whitty is running this carnival and I wish all of the competitors the very best of luck. Again a note will be sent home shortly with details for the day.

Kik messenger

What is it?  Kik Messenger is a free texting app available on iPhone, iPad, Ipod touch, Android, Windows, Samsung Galaxy and Blackberry phones.

How does it work?  Account holders use Kik to text photos, videos and 'Kik cards' which can include YouTube videos, GIFs and drawings - to other users for free.

Why is Kik useful?  The Kik app is a fun and creative way to communicate with friends and kids love Kik because it’s so much more than just typed messages. Kik is especially popular with younger teens who generally have a limited texting plan or use an iPod Touch because the application gives them access to free messaging.

What do you need to keep in mind about your children and Kik?  The new version of Kik is rated +17 in iTunes because it allows users to send content from other sites like YouTube and Reddit. The biggest problem is that users often share their private Kik username on other public social networks like Twitter, Instagram or Tumblr.

Any user who knows your child’s username can then send them a Kik message. Instagram and Twitter are full of #kikme requests with teens posting their usernames and there have been many reported cases of inappropriate adult contact because of this.

The best way to keep an account safe from unknown messages is by making sure teens use a different name for their Kik account than the one they use for Twitter, Instagram or Tumblr. Kik also allows users to ignore new contacts by enabling the ‘Ignore New People’ feature under notifications. When someone new contacts them the message gets sent to an ‘Ignored’ conversations list which they can then trash. The app has a privacy setting in which users can block other specified accounts, hiding all messages from this person and deleting previous conversations with them.

Another thing to be aware of is the fact that, just like most social accounts, users can delete the message on their end but the people included in the conversation still have the message. Once it is out there, it can never be completely erased. Kik is always on and does not have a logout button.
Dear Parents and Carers, for ease with school payments there is a number of payment options:

- Cash or Cheque (unless otherwise stated, made out to Chertsey Primary School)
- EFTPOS
- Credit Card (but not a debit card) over the phone
- POP Payments (see below)

## POP PAYMENTS

You can now make online payments

It is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. **The payment page is accessed from the front page of the schools website by selecting $ Make a payment.**

Items that can be paid include voluntary school contributions, excursions, sales to students and creative and practical arts activities (choir and dance). There is also a category called Other this to cover items not covered in the previous headings, Other can be used to make a complete payment of a school invoice.

When you access the $ Make a payment you must enter:

- the students name, and
- class and reference number OR
- the students name, and
- date of birth

These details are entered each time you make a payment as student information is not held within the payment system. There is also the option to enter the Student Registration Number and Invoice number if you are aware of them, these are optional fields.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child’s account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For your convenience we have uploaded a Powerpoint presentation to the school’s website under Notes – General - How to make an online payment. For any enquiries regarding the Online Payment process please contact the School Administration Office.
The UNIFORM SHOP which is located in the cottage opposite the carpark is open on THURSDAY MORNINGS from 8:30am until 9:00am

Dear Parents/Carers

Chertsey will hold its annual Cross Country Carnival on Friday, 20th March 2015. It will be run on our primary oval and also around a section outside our school. Students aged 8, 9 and 10 years run 2km (one lap of the oval and 2 laps of the full course) and students aged 11, 12 and 13 years run 3km (two laps of the oval and three laps of the full course). These students will need to return the note below giving parental permission to run the part of the course that is outside the school grounds. All students are expected to participate in the cross country as it is part of our PD/H/PE program. Only students with a written note from their parents will be exempt from participating.

Lunch 2 on this day will be 12:00-12:45

Our infant students, ages 5 and 6 years, will run one lap of the primary student’s oval (from start to finish) and 7 year olds will run two laps. Infant’s races will start at 1:00pm. These students do not need to return the permission note below as they will not be running outside the school grounds.

Primary students will run in one of four age groups: Your age group is the age you have turned or are turning this year. Girls and boys run in separate races.
1. 8 and 9 years
2. 10 years
3. 11 years
4. 12 and 13 years

The first six place getters of each group (8 years and older only) may be eligible to go through to the Southern Central Coast District Carnival to be held in Term 2. (To gain selection in the SCC, students should have completed the course in good time and have maintained a running pace all the way.)

All parents are welcome to attend the carnival (spectator area on the grassy hill on the primary oval) as your support cheers on our students to achieve their best! If any parents are able to assist with checkpoint supervision, please meet Ms Whitty at 12:45pm on the primary student’s oval on the day if you can help.

Please complete and return the form below to your class teacher by Monday 16th, March. This is a permission form to leave the school grounds supervised by the teachers. It only applies to students 8 year age group and older. If your child is turning 5, 6 or 7 years of age this year, you do not need to send the form back.

Happy training and good luck!
Anne Whitty

CHERTSEY PRIMARY SCHOOL CROSS COUNTRY CARNIVAL 2015

I, ______________________ give permission for my child/ren _______________________

I understand that part of the course for ages 8 – 13 will be outside the school grounds, on the footpath along Willow Rd and Springfield Rd. There will be parent and teacher supervision at checkpoint intervals. (We would appreciate some parent volunteers)

I am able to assist on the day - yes / no.

Trash Free Tuesday

Trash Free Tuesdays are designed to encourage children to bring lunches that don’t generate much rubbish. This is done by using trash free lunch boxes, re-usable containers and drink bottles. Chertsey Primary School will begin Trash Free Tuesdays next week. Each class will have a Trash Tally and we will be monitoring the improvement in our rubbish and waste use. Mrs Campbell will be collecting our waste data for an environmental project that the Gecko Club are doing with Gosford City Council. The class with the lowest trash tally will receive a class award and the best over the term will receive a special reward.

Trash Free lunches tend to result in reduced litter and they encourage healthy eating. This will benefit the environment by reducing packaging waste, which in turn reduces energy and resource use. So PLEASE participate in our new health and environmental challenge – no rubbish on a Tuesday.

Thanks, Mrs Campbell

2015 TWILIGHT SWIMMING CARNIVAL

The 2015 Twilight Swimming Carnival was held on Wednesday 18th February at Gosford Olympic Swimming Pool. Thankfully the weather held out for us and we enjoyed a great afternoon of competition! I was very proud of the positive sportsmanship of our students as they cheered on every competitor. Congratulations! A big thank you to our amazing staff who gave up their time to help run the carnival. Thank you also to all parents and family who supported our competitors!

Swimming carnival ribbons were also presented at last week’s 3-6 Assembly. A reminder that our swimming age champions (students who participated in three or more events at the carnival and gained the most points in their age group) will be announced at our end-of-year Presentation Day.

Today, students who have successfully qualified to represent Chertsey at the Southern Central Coast PSSA District Carnival should have received their information and permission note. These notes should be returned to me as soon as possible (but by Friday morning at the latest please). The district carnival will be held at the Peninsula Leisure Centre, Woy Woy next Tuesday 11th March (Week 7). Luckily, bad weather will not affect us as the pool is indoors! Good luck to all competitors!

Mrs Scott
YOU ARE INVITED
Harmony Day 2015

In celebration of our many diverse cultures we would like to invite you to our Harmony Day event this coming Friday the 20th of March at 9:15am for approximately one hour in the school Hall. The theme this year is ‘Everybody Belongs - Thank You’.

Also this is an opportunity for you to be creative and every child is encouraged to wear something orange. Be creative as you can! (remember to wear school policy shoes though?).

All classes will have completed work samples to recognise and advocate for Harmony Day.

In the morning at Breakfast Club our wonderful Alex Wastell will also be celebrating this day with a multicultural themed breakfast.

During lunch times there will be jewellery and other items in the theme colour of ‘orange’, and children are encouraged to purchase items costing from 20c-$2.00. Moneys raised from this event will go to supporting our nominated school charity “Stewart House”. (http://www.stewarthouse.org.au)

We look forward to seeing all families who are able to attend.
