From the Principal’s desk

Wow what a concert!! I think everyone will agree with me that our Countdown Concert was a huge success. Many hours of planning and rehearsing went into this wonderful event and I would like to thank everyone involved for their dedication and creativity. The children enjoyed themselves immensely and this was evident as we saw the smiling faces and energy on the stage.

The children involved in the coding classes this term commenced their lessons last Tuesday and will do so until they are completed. Thank you to those parents who have paid.

Due to the concert being held last week our P&C will now be on tonight Tuesday September 20. We will be discussing NAPLAN results and changes to our school reporting system. The meeting will begin at 6:30am and everyone is welcome.

Our representatives, Sophie, Tyhler and Ricky will compete at the Spelling Bee on Wednesday at Ettalong Primary School. I would like to thank Ms Whitty for coordinating this event and spending many of her lunch times helping the children and listening to them spell many words. Good luck students!

In November our school P&C will be holding a fund raising event. This will be an obstacle course and children will be asked to obtain sponsors from family, friends and neighbours. We are busy working on notes and sponsor cards at the moment and information explaining this fun day will come home very shortly.

Our Headstart program has begun and we are into our 4th week. It is not too late to enrol and if you know any children of school age they can collect an enrolment form from our front office.

Yesterday a green note went home in regard to our Year 6 Farewell. If you are able to come along to the meeting on Thursday after school we will be meeting in the library at 3pm. If you cannot make the meeting but would still like to assist with the night in some way please return the slip with your contact details.

The last day of term is September 23 and we will be hosting our Chester Challenge rewards day. The children who have received at least 8 level 4 or 5’s over the duration of the term will be invited to participate. We will also be holding a very special fund raising day for Cystic Fibrosis. The children have been told they can wear a piece of red clothing in turn for a gold coin donation to this charity.

It has been an enjoyable term and the children have had lots of wonderful experiences. Term 4 is extremely busy and I would like everyone to have a lovely restful holiday so you return fresh and ready for a very busy term ahead!
