Dear Parents/Carers,

All children will be participating in Public Speaking in their class during the coming week. Two children from each class will be chosen to represent their class at a special public speaking assembly. Each child is asked to create a 1-2 minute speech. They may use the following topics:

- Kindergarten - My favourite toy
  - When I grow up I want to be

- Year 1 - My pet
  - The game I like is ..

- Year 2 - Australian animals
  - Book report. (Review a book read – who is in the book, where is the setting, what happened, and who would you recommend it to.)

Children may use a few small palm cards to assist them in their class presentation.

Teachers will be assessing them on:
- The volume of their voice and how well they can be heard
- If they speak clearly and confidently
- If they look up and maintain some eye contact with their audience
- If they speak in sentences
- How creative their speech is

We will be listening to the students' speeches the week beginning Monday, 17th June during class and choosing the two class representatives. The public speaking assembly will be held on Wednesday, 26th June (notes will come with representatives).

Please ensure your child brings their speech in ready to present over the coming week. We look forward to hearing all the student’s speeches.

Kind regards,

K-2 Staff
